

FOR IMMEDIATE RELEASE

ITIL® Managing Across The Lifecycle Available In Self-Paced Format

Pink Elephant Now Offers All ITIL Courses In Public, Virtual & Self-Paced Delivery Formats

Burlington, ON – November 16, 2015 – Today, Pink Elephant, a premier global training, consulting and conference service provider, announced the self-paced version of the ITIL Managing Across The Lifecycle course. With this course, Pink Elephant now offers the entire suite of ITIL Foundation, Intermediate and Expert certifications for IT professionals looking to achieve their ITIL Expert certification on their own schedule.

“The self-paced ITIL Managing Across The Lifecycle course is the final piece of the puzzle of our ITIL offerings,” said Troy DuMoulin, VP Research, Innovation & Product Development, Pink Elephant. “By delivering all ITIL courses in multiple formats – public, virtual and self-paced – Pink Elephant has further solidified its position as a premier global training provider.”

The self-paced delivery option is available immediately, and there are many benefits to this format, including:

- No travel expenses; learn from the home or office
- No distractions – learn where it is most comfortable, without the distractions of a classroom setting
- Time efficient – 24/7 materials availability
- Comprehensive – accredited courseware covers all areas of the ITIL Expert course syllabus
- Secure – unique sign-on to track course progress and sample exam results
- Available anywhere there is internet access – at home, in the office, on the road
- Continual review – six months of access to the course material so you can review key concepts

This course also prepares participants for the examination leading to the ITIL Certificate: Managing Across The Lifecycle. For more information or to register for the course, please contact 1-888-273-PINK or info@pinkelephant.com.
